

# YOUR FAVORITE BUSINESS LIST

Please fill in the blanks with your favorite businesses in your local area. Print clearly and be sure to list the phone numbers and addresses that you would like to see on the card. Please list 3 choices in case we are not able to secure your 1<sup>st</sup> or 2<sup>nd</sup> choices. The more eating establishments you have on the card, the better your card will sell. Since people eat every day, they will easily recoup their \$20 donation by using the card at the places they frequently patronize
